[Richard Simmons is defending Melissa McCarthy after Barbra Streisand asked her if she used Ozempic to slim down. "I love Melissa McCarthy". I have seen every one of her movies," the fitness coach, 75, wrote on his verified Facebook Page Tuesday evening. "A famous legendary singer, B.S. , made a remark about her weight loss"and was asking if she had used a popular weight loss shot," he continued. "What a question." "I apologize to Melissa for these remarks. And by the way, Melissa you look fabulous!" #richardsimmons #barbrastreisand #melissamccarthy](#)
