[Keto G6 Gummies. Norton Purchase Confirmation Scam Email for LifeLock \(2024\)](#)

[Don't fall for the Norton purchase confirmation scam email that claims you owe money for Norton LifeLock. This Norton purchase confirmation email is not coming from Norton or any other official source. The scammers are likely located in India and are hoping that you dial the phone number that's listed in the fake invoice or bill. That phone number goes directly to the scammers. One of the numbers was 8315314889 in mid-February 2024. The scammers will pretend that they are Norton and they will attempt to talk you through your purported purchase. Watch my video for all of the details.](#)
