FAQ

Q: How do keto gummies help with ketosis?

A: Keto gummies include ingredients, like MCT oil and collagen, that support the bodyâ€™s natural abilities for ketosis to keep the body in a state of ketosis.

Q: Are keto gummies from Dischem expensive?

A: No sorry â€“ Dischem not selling eating gummies like that. You can buy keto pills that help you get into ketosis for only R90, and often on sale for R40. This is a great, low-cost way to have your keto cake and burn it, too.

Q: Are keto gummies suitable for all diets?

A: Well, keto gummies are intended to boost your already-available ketone levels and assist your body in getting deeper into a state of ketosis â€“ especially if youâ€™re on a ketogenic diet. Overall, itâ€™s recommended that you consult with your personal physician before adding any type of product to your diet.

Q: How many keto gummies should I consume per day?

A: It can say â€˜a serving size is 1 cupâ€™ but the serving size can vary so it could be less, it could be more. The question in any situation becomes: How much is that said serving size? What is your actual portion? When we were in childhood, we didnâ€™t have the responsibility of buying things so we never learned portion sizes. But, when we have to buy something for ourselves, especially our own food, weâ€™ll have to start working with numbers.

Q: Can I purchase keto gummies from Dischem online?

A: Yes, Dischem allows you to order Keto Gummies for home delivery. You need to go to the website of Dischem to identify and purchase the desired gummies.
