[Nutribolidos Keto Acv Gummies Reviews. Dave Bautista has lost a lot of weight and fans are concerned about his health!](#)

[When Dave Bautista appeared at the Toronto International Film Festival in 2024, the world held its breath and paid attention. Gone were the muscles, in came the leanness, and Bautista walked the red carpet in a suit that could fit on one of his arms as he played Drax the Destroyer. But while Bautista spent the evening talking about his recent movie The Last Dancer, the internet was more interested in his dramatic weight loss. One person tweeted: "Many celebrities have admitted to using the weight loss drug Ozempic, so some users on X assumed Bautista had joined that club. However, in the Insight with Chris Van Vliet podcast, the actor assured his fans that he is absolutely healthy. #DaveBautista #weightloss #health #fitness #transformation #news"](#)
