3 Keto Gummy Bear Recipes | Sugar-Free Gummy Candy

[Shark Tank has been a popular television show for aspiring entrepreneurs to pitch their business ideas to a panel of successful investors, known as "œsharks." Over the years, many innovative products have been featured on the show, including those designed to help people achieve their weight loss goals. In this article, we will take a closer look at some of the best weight loss products that have been featured on Shark Tank.](#)

[1. Simply Fit Board](#)

[Simply Fit Board is a balance board that claims to help users tone their abs, legs, and core muscles while standing on the board and engaging in simple twisting motions. The board is designed to provide a low-impact workout that can be done in the comfort of your own home. The creators of Simply Fit Board appeared on Shark Tank and secured a deal with investor Lori Greiner. Since appearing on the show, the product has gained popularity and has been embraced by users looking for a fun way to stay active and improve their fitness.](#)

[2. Nootrobox](#)

[Nootrobox offers a range of supplements designed to enhance cognitive function, improve focus, and support overall brain health. The company's products have gained attention for their innovative approach to](#)

[nootropics, or smart drugs, that can help users perform better mentally and achieve their weight loss goals.](#)
[Nootrobox appeared on Shark Tank and caught the interest of investor Chris Sacca, who saw the potential for the company to revolutionize the supplement industry. With the support of Sacca and other investors, Nootrobox has continued to grow and expand its product line to help more people achieve their health and wellness goals.](#)

3. MealEnders

[MealEnders are a unique type of weight loss product that claims to help users curb cravings and avoid overeating by providing a satisfying sensory signal that signals the end of a meal. The product consists of a two-layered piece of candy-like lozenge that combines a sweet outer layer with a cooling, tingling inner core. The creators of MealEnders appeared on Shark Tank and received an investment from investor Mark Cuban, who saw the potential for the product to help people break unhealthy eating habits and reach their weight loss goals. Since appearing on the show, MealEnders have gained a following of users who swear by the product's ability to help them stay on track with their diet and avoid unnecessary snacking.](#)

4. Topsy Elves

[Topsy Elves is a company that specializes in quirky, fun clothing and accessories that are perfect for themed parties, holidays, and special occasions. The company gained attention for its unique and eye-catching designs, including festive sweaters, leggings, and accessories that have become popular among partygoers and social media influencers. Topsy Elves appeared on Shark Tank and secured a deal with investor Robert Herjavec, who saw the potential for the company to capitalize on the growing trend of themed parties and events. Since appearing on the show, Topsy Elves has continued to expand its product line and has become a go-to source for fun and unique apparel that helps users stand out and express their personalities.](#)

5. Beebo

[Beebo is a hands-free bottle holder that allows parents to feed their babies while maintaining eye contact and bonding with their little ones. The device straps onto the parent's chest or arm, holding the bottle in place and freeing up their hands to engage with their baby during feeding time. Beebo appeared on Shark Tank and received an investment from investor Barbara Corcoran, who saw the potential for the product to make feeding time easier and more enjoyable for parents and babies alike. Since appearing on the show, Beebo has gained a following of parents who appreciate the convenience and practicality of the device, making feeding time a more enjoyable and engaging experience for both parties.](#)
